**Welcome Address by  
The President of the Foundation  
Dr. Anastasia Samara-Krispi**

Mr. President of the Court of Areios Pagos,  
Mr. Honorary President of the Court of Areios Pagos,  
Mr. Vice-President of the Court of the Council of State,  
Messers. Professors,  
Ladies and Gentlemen,

Today, we have both the honor and the pleasure to attend a lecture by Professor of law and Judge of the International Criminal Court for crimes committed in the territory of ex-Yugoslavia, Mr. Fausto Pocar, on «The Communitarization of Private International Law». We gratefully thank very much indeed Professor F. Pocar, for having, kindly, accepted the relevant invitation of the University of Athens and of the Foundation.

Caro e estimabile Professore,

Benvenuto di cuore e grazie cordialmente per conto dell' Università di Atene e della Fondazione per aver accettato, con tanto ed evidente piacere, il nostro invito di essere oggi qui, nell' Università più antica della Grecia, per offrirci l' occasione di ascoltare quell' eccezionale ed utile (ne siamo totalmente convinti di ciò) Argomento che sta subito per presentarci. La ringraziamo ancora e Le auguriamo di essere piacevole la Sua breve ed occasionale permanenza nella nostra città.

Professor Spiros Vrellis is kindly requested to «present» Professor Fausto Pocar.
